

Alabama Chapter H

Due to the COVID-19 problems, most of our chapters have been unable to have regular gatherings for months. Alabama Chapter H decided to have a ride and picnic as an alternative to their gathering. All the members packed lunches and away we rode. We had 12 members on seven bikes go for a ride through southern Tennessee on a gorgeous fall day. We had our lunch in a church pavilion by the road and had a thoroughly enjoyable ride through the countryside.

CANADA ATLANTIC DISTRICT CHAPTER NL-A

A hearty group of Pirates headed out on the highway for their weekend ride. At the first stop, each person was assigned a Pirate Team of three or four members. They had to work together to complete three challenges. The first challenge, given at the first stop, was a Treasure Hunt, a list of items each team had to gather for points. The second stop was lunch, at Castle Hill, a National Historic Site. After eating, the teams had a photo scavenger hunt, requiring pictures “capturing” items from the area and some creative snaps of the team engaged in various poses. Points were awarded again. The adventure continued at the third stop, where the final challenge was passed out. The teams had to make up a short “sea shanty”, or song that included aspects of the day’s adventure. Points were awarded for first, second and third place. The overall total was calculated and prizes awarded to the winners.
